## **CHARM QUILT**

"The dedication, creativity and attention to detail in this colorful quilt are so fun to have around, but more than that, they remind me exactly of who this quilter is - a dedicated, creative, talented person! She found this charm in her treasure chest and explained it is at least 10 years old. What I want you to know is how perfect its message is for me. It wasn't just a willy-nilly charm - it was carefully selected - which again reflects the Love she pours into her creations." ~C.H.
